Notes from Pastor Bob to You!

Special Prayer

During the month of September, we are asking that people sign up and join in a congregational Church time of prayer, intercession, and seeking the Lord. We are living in a crucial time in the history of America and it is time for God’s people to seek the Lord and do the work that they have been called to do in preaching Jesus Christ. Remember II Chronicles 7:14.

Roof Repairs

We are in the process of replacing the roof over the older section of our building. We have had some water leaks for some time and really needed to address this problem. Clark Strayer, Jr. is the contractor and will be working on the roof with the goal of completing it as soon as possible. We apologize for any inconvenience this may cause. If you would like to contribute financially towards this project, it would be appreciated.

Thanks.
